Dear Darren

You have requested that we provide an independent valuation of bloodstock.

Inglis are licensed auctioneers, licensed stock and station agents, licensed real estate agents and bloodstock agents. Our business was established in 1867 and we now conduct the largest bloodstock agency in Australia.

In carrying out our valuation we have had regard to the following principal factors in determining the estimated commercial value of the horse:

- Pedigree
- Race record
- Age
- Health and condition
- Race record of any progeny
- Recent sales of similar bloodstock

We trust that the valuation is in order, and if you require any further information please do not hesitate to contact the writer.

Yours sincerely,

Valuation of Bloodstock

ABN: 75 000 011 307

REQUESTED BY: AUSTRALIAN BLOODSTOCK
P.O. BOX 82
BALLAN 3342

VALUATION AS OF: 21st September, 2020

VALUATION					
NAME OF HORSE	YOB	SEX	SIRE	DAM	VALUE AU\$ 100%
	2019	Bay colt	Tosen Stardom	Releve	\$50,000

Notes:

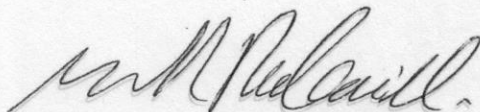

The above colt is from the first crop of multiple Gr.1 winner Tosen Stardom

He is from a half-sister to two stakes-horses inc. La Passe (6 wins & \$329,285 inc. VRC Blazer S. Gr.2)

I inspected this colt on the 16th Sept, 2020 and found to be good size and shape, good girth and correct enough.

This valuation was supplied on the understanding that she is in good health, of good conformation and suitable for future racing in the opinion of a qualified veterinary surgeon. Inglis has no financial interest in this colt.

Kind Regards
